# MERYL SUBLIME

---

State of the art nylon  
with the finest filaments  
in the world

*Meryl*<sup>®</sup>  
sublime

Meryl® Sublime possesses a unique silky touch. Flat premium multi-microfibers for high-end fabrics.

For consumers with an exquisite taste. A must for Intimates.

**Premium Comfort**

Its extraordinary breathability keeps perspiration away from the skin, providing premium comfort to consumers.

**Light as a Feather**

Meryl Sublime has an ultralight handle and a perfect drape for exquisite and light fabrics.

**Natural Moisture**

Meryl Sublime is extremely soft and helps your skin retain its natural moisture. Your skin feels as smoother than ever.

**Extra Benefits**

Meryl Sublime also offers fabrics and garments with exclusive cosmetic properties. Finest in touch with antiaging effects.

**Markets & Applications**

Meryl Sublime's special handle and silky touch is highly demanded in Intimates & Swimwear, giving a unique softness as well as ultra breathability. Semi Dull (SD) yarns match best with lingerie and intimates, while we recommend Full Dull (FD) yarns for Swimwear pieces.

## Meryl Sublime main properties

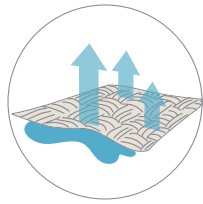

Certified by Meryl<sup>®</sup> Lab

### Multifilament comfort

Meryl Sublime has been made with the finest filaments ever produced; they can be as thin as 0,45 DPF\*, providing a high level of ultimate comfort.

\*Dtex per Filament

### Freshness

Meryl Sublime quickly draws perspiration away from the skin to the exterior of the fabric for evaporation.

### Lightness

10 Km of Meryl Sublime can be as light as 20 grams, providing extremely light and comfortable fabrics.

### No Pilling

Thanks to the twisting process, fabrics made with Meryl Sublime avoid pilling effects without giving up softness. Up to 24 twists per meter.

In October 2013, Nylstar's General Manager visited the headquarters of an important lingerie brand in New York. When he showed some fabrics made with Meryl FDY 44f96, the Design Manager was so impressed he had to call his Technical Materials Director. He asked her to come to his office to touch the fabric. When she did, she closed her eyes and said: "Wow!... This is really Sublime".
